

**Guardian Angels Volunteer Commitment**

Each family is required to complete 5 volunteer positions within the course of the school year. We understand some families, especially working parents and single parent households, may find it difficult to fulfill the service hour guideline.

An opt-out fee of \$50.00 can be paid in lieu of working the volunteer positions. Remember, getting involved is the best way to connect with your child’s school community!

We are asking each family this year to volunteer 5 times. A list of volunteer opportunities will be made available at Back to School Night. Some examples would be hospitality at the Christmas Concert, playground duty, Lunch help at Grandparents Day, Providing dinner for the Staff during conference time or Rake-a-thon.

We want everyone to have the chance to participate at Guardian Angels, so our policy will be for each family to be able to fulfill their volunteer hours in many different ways.

if your schedule does not permit you to participate, you will be assessed the \$50.00 opt out fee.

In effort to plan for the upcoming school year, please return this form at Back to School

Night —Thank you so much for your help!
